The Grove Assessment Payment Plan For 2014 and Beyond

By Carolyn Grimes

Community Group offers a FREE* monthly **Grove** assessment payment plan online for homeowners *in good* standing to pay upcoming years in advance, providing their current HOA account is up to date, and assessments due in future years are paid in full by January 30th each year. Paying dues monthly versus an annual lump sum is easier to budget.

When setting up a monthly payment deduction through KLIK or via your bank you must compute the balance owed per month so that dues are paid in full by January 30th of the following year. For example: a monthly option started April 2013 would be \$38.50 per month, requiring a final payment no later than January 30. If you begin in January then monthly payments would be \$32.08 per month. *Bear in mind*, examples are based on current annual HOA assessment rate of \$385.00. The Board of Directors will do the best they can to maintain the current level of assessments. Should assessments increase, you can cover the difference by increasing the amount of monthly payment, which is still better than a lump sum.

Homeowners in Krim Point, Ridgemoor, and Scotter Hills must remit assessments on time to their individual HOA as well as dues to The Grove, so please budget accordingly.

*Although Community Group does not charge a fee for the monthly assessment payment option, please verify if any banking transaction fees apply through your bank.

Architectural Review Rules Change

The Board recently approved a change to the ARC rules governing home improvement projects. For any major additions, such as decks, porches, and patios, the Architectural Review Committee must conduct a site visit. Any home additions, patios, decks, porches, sheds, etc. need to have their perimeter staked before the site visit. Staking gives the ARC a reference for how the addition would affect neighboring properties.

Any changes or additions to your home or landscaping need prior ARC approval. For complete details see thegrovehoa.com Covenants & Bylaws tab.

Towing Enforcement Policy

By The Scotter Hills/Ridgemoor Board of Directors

Lately there has been much conversation (on FaceBook, email, phone, etc.) about the vehicle towing policy in the Scotter Hills/Ridgemoor section of The Grove. We thought an article in *THE MINER* explaining our policy would be helpful. First, the county Fire Marshall inspected our section of The Grove very early in its existence, 2005. He advised that we should restrict parking so emergency vehicles could have unrestricted access when responding to an emergency. We were instructed that street parking could only be allowed on one side of each street. To accomplish this we painted the curbs in the restricted areas yellow, a universal indication that parking is prohibited. We also painted the curbs yellow in front of each bank of mailboxes. The USPS will not deposit mail in any mailbox where the postal worker has to exit their vehicle to access the mailbox. They also require a clear vehicle path to the mailbox.

Unfortunately, since 2005 the yellow curbs have not deterred parking in restricted areas. Just prior to our most recent board meeting many residents received warning notices in their mailboxes from the USPS that we were in violation of their mailbox access requirements. At that meeting, with the USPS notice as an impetus, we decided to institute a towing policy.

Please understand, we did not come to this decision easily. We (the board) have a responsibility to make sure that our association is fiscally and physically safe. Given the litigious nature of our society, one can only imagine the result if there were an occurrence (fire, medical emergency, etc.) that came to a bad result because the emergency responders were either delayed or just could not get their equipment into the proper position because of an improperly parked vehicle. What if a resident did not receive an important piece of mail for the same reason? The Scotter Hills/Ridgemoor HOA might be held liable for damages. Again, we see it as our duty to protect against these possibilities.

To that end we have contracted with ABT Towing to patrol Scotter Hills and Ridgemoor and authorized them to remove vehicles that violate the yellow curb. They patrol randomly and are authorized to only tow vehicles that violate the yellow curb. They take pictures of the vehicle (front and rear) before they tow it to prove that the vehicle was in violation of the yellow curb and to demonstrate that the yellow curb was plainly visible (these pictures are available for every towing instance). Further they are instructed to notify our association manager **Tracey Talbert** (804-273-1333) after towing a vehicle. Please do not call anyone on the Grove Board if your auto is towed as the policy is not enforced by The Grove.

Parking is an issue that we have struggled with since the inception of the Scotter Hills/Ridgemoor section of The Grove. Unfortunately, the developer did not provide adequate parking in their master plan and we are left to deal with that as best we can. We commit to you that we will closely monitor the towing situation and consider changes that clearly benefit our neighborhood.

May is Home Exterior Repair Month!

By Gerry Mancuso

May is Mailbox and Shutter Repair Month. Check the appearance of both the mail post and box. If the post is still in good condition, apply a fresh coat of paint, but if deteriorated, replace it. Approved hunter green boxes can be ordered online (not in stores) at www.homedepot.com, item # E1600G00. Two Grove residents provide mailbox repairs, replacements, and vinyl posts: Dale Murphy (405-1023) and John Romano (379-1238). Many home repair companies offer mailbox refurbishing services.

Shutters will also be inspected. Before repainting, check if shutters are warrantied. Are your doors or garage doors fading? If so, either refresh the existing color or submit an application to the Architectural Review Committee to change the paint color.

Letters of violation will be sent to those who have not taken care of these items.

Download the Ready Virginia App on the App StoreSM and on Google Play[™]. Virginia Department of Emergency Management developed the app in response to the rapid increase in use of mobile phones and tablets by residents seeking information during last year's severe derecho wind storm and Hurricane Sandy.

In addition to the app, VDEM launched a mobile version of its website at m.vaemergency.gov. The mobile site contains all the information available on VDEM's regular website with an easier navigation for smart phones and tablets.

For those who don't use mobile devices, information about preparing for emergencies is available in multiple languages at www.ReadyVirginia.gov; by sending an email to pio@vdem.virginia.gov; by calling toll free (866) 782-3470; and by writing to VDEM Public Affairs, 10501 Trade Court, Richmond, VA 23236.

On Saying Goodbye

This past January, at age 16, our intrepid Co-Editor, Logan was called to Heaven.

Physically I can no longer see him, prowling for the latest leads. But I know he lives on, cradled in God's arms, "surveying his Serengeti."

I can still hear him purring, as if to say: "Mommy, please write me a story."
