Cory Whitlow

13700 Biggin Pond Ln

My family moved to The Grove a little over 5 years ago. We loved this community even before we moved. Although I have not previously held a board seat in any HOA or other political position, I have been heavily involved in our community, especially regarding the Grove Pond. I genuinely care about the appearance of our community and want to be involved in any way I can to help. There have been a variety of issues and requests which I have worked with everyone on the current HOA board to address. There are several strong opinions people share on our local Grove Facebook page which I have listened and spoken for on their behalf. In addition, I help maintain trash removal from in and around the pond and surrounding areas. I would be honored to serve on the board for our great community and help make the Grove an even better place. Thank you for your consideration.
